Re: K.H., an Infant, etc., et al v. United States of America  
Civil Action No. 2:10cv55

Dear Mr. Galindo:

This will advise the Court that the above styled case, subject to the Court's approval of the infant settlement aspect of the matter and overall approval by the Attorney General, has been settled.

We would ask that this case be kept on the Court's docket generally, while the contingencies referenced above are addressed. However, as both sides feel that those contingencies will be successfully addressed, we would ask that the case be taken off the Court's docket for a final pre-trial conference, for trial on December 7, 2010 and for purposes of such yet-to-occur events addressed in this Court's Rule 26(f) Pretrial Order of April 30, 2010.

Your consideration in this matter is greatly appreciated.

Sincerely,

Neil H. MacBride  
United States Attorney
